

The logo for MEA Markets is located on a dark purple square background. The word "mea" is written in a white, lowercase, serif font. Below it, the word "Markets" is written in a yellow, lowercase, cursive script font.

UAE Business Awards

Star Composed Chemicals Manufacturing LLC

Best Automotive Oil & Lubricant Company 2020

Star Composed Chemicals MFG LLC is a leading Lubricant Manufacturing company based in UAE. Operating since the past 14 years, the company has been certified by ISO 9001 since its inception. The company's mainstream brand – STARTEC ® covers the entire spectrum of Automotive, Industrial and Marine Lubricants. STARTEC also supplies supplementary products like Grease, Brake Fluids and Coolants. Approved by OEM and associated with EELQMS, STARTEC stands as a statement to Quality and Perfection.

STARTEC is in the process of establishing a network of agents and dealers to further boost exports and provide an effective after-sales service to our valued customers.
